The A-Spec Group welcomes 2 new local councils.

PRESS ANNOUNCEMENT FOR IMMEDIATE RELEASE

The A-Spec Group welcomes 2 new local councils: *The Shire of Kalamunda* from Western Australia and *South Gippsland Shire Council* from Victoria to our consortium. The agencies will use **D-Spec** which outlines the specifications for digital files containing drainage pipe, pit, property connections and Water Sensitive Design Elements (**WSUD**). This specification is available for download from the D-Spec website.
